

Decision of the Executive Board of Rail Freight Corridor North Sea – Baltic (RFC8)

approving the Implementation Plan of Rail Freight Corridor North Sea – Baltic

Having regard to:

- Regulation (EU) No 913/2010 of the European Parliament and of the Council of 22 September 2010 concerning a European rail network for competitive freight and in particular Article 9(1) and Art 9(2);
- The Annex to the Regulation (EU) No 913/2010, as amended by Regulation (EU) No 1316/2013 of the European Parliament and of the Council of 11 December 2013 establishing the Connecting Europe Facility;

The Executive Board of Rail Freight Corridor North Sea – Baltic (RFC8):

1. Approves the Implementation Plan of the Rail Freight Corridor North Sea – Baltic as drawn up by the Management Board, annexed to this Decision;
2. Notes that, following the approval of the Implementation Plan, the Framework for Capacity Allocation (FCA) applies to the categories and specified lines of Rail Freight Corridor North Sea – Baltic, as defined in this Plan in order to have the same allocation procedures along the corridor;
3. Welcomes the Indicative Investment plan of Rail Freight Corridor North Sea – Baltic as part of the Implementation Plan but without prejudice to each Member State remaining responsible for its own infrastructure decisions and its financing;
4. Gives the mandate to the Management Board to publish the Implementation Plan and to update, in conformity with the Implementation Plan, the Corridor Information Document.
